

## Youth Outdoor Activity Survey

The Sparta Rod & Gun Club's mission statement includes "that hunting and fishing for the sportsmen ... will be improved". The Club feels that a large portion of that improvement comes with getting youth involved in the outdoors and the Club is trying hard to make activities available for our area youth. But the Club recognizes that it could do more. In an effort to increase the youth involvement in outdoor activities, the Club would like parents or grandparents to please complete the following short survey (select all that apply).

1 – If the Club provided free training, my children would be interested in learning:

- a – how to fish
- b – how to shoot a bow
- c – how to shoot a .22 rifle
- d – how to shoot a shotgun
- e – how to hunt safely
- f – basic outdoor survival skills

2 – If the Club held youth tournaments or leagues, my children would be interested in participating in:

- a – archery (traditional)
- b – archery (compound)
- c - .22 rifle
- d – shotgun (trap)
- e – fishing

3 – My children love the outdoors but I don't hunt or shoot. My children do enjoy:

- a – hiking
- b – bird watching
- c - camping

4 – My children are ages:

- a – under 12
- b – 12 to 14
- c – 14 to 16
- d – 16 to 18

5 – The best time for my children to participate in any activity is:

- a – weekday evenings
- b – Saturday
- c – Sunday

6 – Other ideas my children would enjoy that the Club should be aware of:

---

---

Please complete the survey and mail it to:

Sparta Rod and Gun Club

12740 Janus Ave

Sparta, WI 54656

Or it can be dropped off at the Amish Cheese House, United Auto Parts

Or at the Clubhouse Tuesday nights.
